

Hylidae species list

By D.KNIGHT

Subfamily Hylinae (630 species)

Genus Acris (3 species) [subfamily Hylinae]

Acris blanchardi

Acris crepitans

Acris gryllus

Genus Atheca (1 species) [subfamily Hylinae]

Atheca spisa

Genus Aparasphedon (4 species) [subfamily Hylinae]

Aparasphedon arapapa

Aparasphedon bokermanni

Aparasphedon brui

Aparasphedon venezolanus

Genus Aplastodiscus (15 species) [subfamily Hylinae]

Aplastodiscus albofrenatus

Aplastodiscus albosignatus

Aplastodiscus arildae

Aplastodiscus callipygius

Aplastodiscus cavicola

Aplastodiscus cochraeae

Aplastodiscus ehrhardti

Aplastodiscus eugenioi

Aplastodiscus flumineus

Aplastodiscus ibirapitanga

Aplastodiscus leucopygius

Aplastodiscus musicus

Aplastodiscus perviridis

Aplastodiscus sibilatus

Aplastodiscus weygoldti

Genus *Argenteohyla* (1 species) [subfamily Hyalinae]

Argenteohyla siemersi

Genus *Bokermannhyla* (28 species) [subfamily Hyalinae]

Bokermannhyla ahenea

Bokermannhyla alvarengai

Bokermannhyla astartea

Bokermannhyla caramaschii

Bokermannhyla carvalhoi

Bokermannhyla circumdata

Bokermannhyla claresignata

Bokermannhyla clepsydra

Bokermannhyla diamantina

Bokermannhyla feioi

Bokermannhyla gouveai

Bokermannhyla hylax

Bokermannhyla ibitiguara

Bokermannhyla ibitipoca

Bokermannhyla itapoty

Bokermannhyla izecksohni

Bokermannhyla juiju

Bokermannhyla langei

Bokermannhyla lucianae

Bokermannhyla luctuosa

Bokermanhyla martinsi

Bokermanhyla nanuzae

Bokermanhyla oxente

Bokermanhyla pseudopseudis

Bokermanhyla ravida

Bokermanhyla saxicola

Bokermanhyla sazimai

Bokermanhyla vulcaniae

Genus Bromeliohyla (2 species) [subfamily Hyalinae]

Bromeliohyla bromeliacia

Bromeliohyla dendroscarta

Genus Charadrahyla (5 species) [subfamily Hyalinae]

Charadrahyla altipotens

Charadrahyla chaneque

Charadrahyla nephila

Charadrahyla taeniopus

Charadrahyla trux

Genus Corythomantis (1 species) [subfamily Hyalinae]

Corythomantis greeningi

Genus Dendropsophus (94 species) [subfamily Hyalinae]

Dendropsophus acreanus

Dendropsophus allerum

Dendropsophus amicornum

Dendropsophus anataliasiasi

Dendropsophus anceps

Dendropsophus aperomeus

Dendropsophus araguaya

Dendropsophus battersbyi
Dendropsophus berthalutzae
Dendropsophus bifurcus
Dendropsophus bipunctatus
Dendropsophus bogerti
Dendropsophus bokermanni
Dendropsophus branneri
Dendropsophus brevifrons
Dendropsophus cachimbo
Dendropsophus carnifex
Dendropsophus cerradensis
Dendropsophus coffeus
Dendropsophus columbianus
Dendropsophus cruzi
Dendropsophus decipiens
Dendropsophus delarivai
Dendropsophus dutrai
Dendropsophus ebraccatus
Dendropsophus elegans
Dendropsophus elianeae
Dendropsophus garagoensis
Dendropsophus gaucheri
Dendropsophus giesleri
Dendropsophus grandisonae
Dendropsophus gryllatus
Dendropsophus haddadi
Dendropsophus haraldschultzi

Dendropsophus imitator
Dendropsophus inframaculata
Dendropsophus jimi
Dendropsophus joannae
Dendropsophus juliani
Dendropsophus koechlini
Dendropsophus labialis
Dendropsophus leali
Dendropsophus leucophyllatus
Dendropsophus limai
Dendropsophus luteocellatus
Dendropsophus marmoratus
Dendropsophus mathiassoni
Dendropsophus melanargyreus
Dendropsophus meridensis
Dendropsophus meridianus
Dendropsophus microcephalus
Dendropsophus microps
Dendropsophus minimus
Dendropsophus minusculus
Dendropsophus minutus
Dendropsophus miyatai
Dendropsophus nahdereri
Dendropsophus nanus
Dendropsophus vaisi
Dendropsophus oliveirai
Dendropsophus padreluna

Dendropsophus parviceps
Dendropsophus pauiniensis
Dendropsophus pelidna
Dendropsophus phlebodes
Dendropsophus praestans
Dendropsophus pseudomeridianus
Dendropsophus reichlei
Dendropsophus rhea
Dendropsophus rhodopeplus
Dendropsophus riveroi
Dendropsophus robertmertensi
Dendropsophus rossalleni
Dendropsophus rubicundulus
Dendropsophus ruschii
Dendropsophus sanborni
Dendropsophus sarayacuensis
Dendropsophus sartori
Dendropsophus schubarti
Dendropsophus seniculus
Dendropsophus soaresi
Dendropsophus stingi
Dendropsophus studerae
Dendropsophus subocularis
Dendropsophus timbeba
Dendropsophus tintinnabulum
Dendropsophus triangulum
Dendropsophus tritaeniatus

Dendropsophus virolinensis

Dendropsophus walfordi

Dendropsophus warreni

Dendropsophus weneri

Dendropsophus xapuriensis

Dendropsophus yaracuyanus

Genus *Duellmahyla* (8 species) [subfamily Hylinae]

Duellmahyla chamulae

Duellmahyla ignicolor

Duellmahyla lythrodes

Duellmahyla rufiocularis

Duellmahyla salvavida

Duellmahyla schmidtorum

Duellmahyla soralia

Duellmahyla urachroa

Genus *Ecmiohyla* (11 species) [subfamily Hylinae]

Ecmiohyla echinata

Ecmiohyla fimbrimembra

Ecmiohyla miliaria

Ecmiohyla minera

Ecmiohyla miotympanum

Ecmiohyla phantasmagoria

Ecmiohyla rabborum

Ecmiohyla salvaje

Ecmiohyla thysata

Ecmiohyla tuberculosa

Ecmiohyla valancifer

Genus Exerodonta (11 species) [subfamily Hyalinae]

Exerodonta abdivita

Exerodonta bivocata

Exerodonta catracha

Exerodonta chimalapa

Exerodonta juanitae

Exerodonta melamma

Exerodonta perkinsi

Exerodonta pirum

Exerodonta smaragdina

Exerodonta sumichrasti

Exerodonta xera

Genus Hyla (36 species) [subfamily Hyalinae]

Hyla andersonii

Hyla annectans

Hyla arborea

Hyla arboricola

Hyla arenicolor

Hyla avivoca

Hyla bocourti

Hyla chinensis

Hyla chrysoscelis

Hyla cinerea

Hyla euphorbiacea

Hyla eximia

Hyla femoralis

Hyla gratiosa

Hyla hallowellii

Hyla heinzsteinitzi

Hyla immaculata

Hyla intermedia

Hyla japonica

Hyla melacaena

Hyla meridionalis

Hyla molleri

Hyla orientalis

Hyla plicata

Hyla sanchiangensis

Hyla sarda

Hyla savignyi

Hyla simplex

Hyla squirella

Hyla suweonensis

Hyla tsinlingensis

Hyla ussuriensis

Hyla versicolor

Hyla walkeri

Hyla wrightorum

Hyla zhaopingensis

Genus *Hyloscirtus* (31 species) [subfamily Hyalinae]

Hyloscirtus albopunctulatus

Hyloscirtus alytolylax

Hyloscirtus antoniochoai

Hyloscirtus armatus

Hyloscirtus bogotensis
Hyloscirtus callipeza
Hyloscirtus caucanus
Hyloscirtus charazani
Hyloscirtus chlorosteus
Hyloscirtus colymba
Hyloscirtus denticulentus
Hyloscirtus estevesi
Hyloscirtus jahni
Hyloscirtus laripygion
Hyloscirtus lascinius
Hyloscirtus lindae
Hyloscirtus lynchi
Hyloscirtus pacha
Hyloscirtus palmeri
Hyloscirtus pantostictus
Hyloscirtus phyllognathus
Hyloscirtus piceigularis
Hyloscirtus platydactylus
Hyloscirtus psarolaimus
Hyloscirtus ptychodactylus
Hyloscirtus sarampiona
Hyloscirtus simmonsii
Hyloscirtus staufferorum
Hyloscirtus tapichalaca
Hyloscirtus tigrinus
Hyloscirtus torrenticola

Genus *Hypsiboas* (83 species) [subfamily Hyliinae]

Hypsiboas albomarginatus

Hypsiboas alboniger

Hypsiboas albopunctatus

Hypsiboas alemani

Hypsiboas andinus

Hypsiboas angelicus

Hypsiboas atlanticus

Hypsiboas balzani

Hypsiboas beckeri

Hypsiboas benitezi

Hypsiboas bischoffi

Hypsiboas boans

Hypsiboas buriti

Hypsiboas caingua

Hypsiboas caipora

Hypsiboas calcaratus

Hypsiboas callipleura

Hypsiboas cinerascens

Hypsiboas cipoensis

Hypsiboas cordobae

Hypsiboas crepitans

Hypsiboas curupi

Hypsiboas cymbalum

Hypsiboas dentei

Hypsiboas ericae

Hypsiboas exastis

Hypsiboas faber
Hypsiboas fasciatus
Hypsiboas freicanecae
Hypsiboas fuentei
Hypsiboas geographicus
Hypsiboas goianus
Hypsiboas guentheri
Hypsiboas heilprini
Hypsiboas helenae
Hypsiboas hobbsi
Hypsiboas hutchinsi
Hypsiboas hypselops
Hypsiboas jimenezi
Hypsiboas joaquina
Hypsiboas lanciformis
Hypsiboas latistriatus
Hypsiboas lemai
Hypsiboas leptolineatus
Hypsiboas leucocheilus
Hypsiboas liliae
Hypsiboas lundii
Hypsiboas marginatus
Hypsiboas marianitae
Hypsiboas melapleura
Hypsiboas microderma
Hypsiboas multifasciatus
Hypsiboas nympa

Hypsiboas ornatissimus

Hypsiboas palaestes

Hypsiboas pardalis

Hypsiboas pellucens

Hypsiboas phaeopleura

Hypsiboas picturatus

Hypsiboas poaju

Hypsiboas polytaenius

Hypsiboas pombali

Hypsiboas prasinus

Hypsiboas pugnax

Hypsiboas pulchellus

Hypsiboas pulidoi

Hypsiboas punctatus

Hypsiboas raniceps

Hypsiboas rhythmicus

Hypsiboas riojanus

Hypsiboas roraima

Hypsiboas rosenbergi

Hypsiboas rubracylus

Hypsiboas rufitelus

Hypsiboas secedens

Hypsiboas semiguttatus

Hypsiboas semilineatus

Hypsiboas sibleszi

Hypsiboas stellae

Hypsiboas stecephalus

Hypsiboas tepuianus

Hypsiboas varelae

Hypsiboas wavrini

Genus Isthmohyla (14 species) [subfamily Hyalinae]

Isthmohyla angustilineata

Isthmohyla calypsa

Isthmohyla debilis

Isthmohyla graceae

Isthmohyla infucata

Isthmohyla insolita

Isthmohyla lancasteri

Isthmohyla picadoi

Isthmohyla pictipes

Isthmohyla pseudopuma

Isthmohyla rivularis

Isthmohyla tica

Isthmohyla xanthosticta

Isthmohyla zeteki

Genus Itapotihyla (1 species) [subfamily Hyalinae]

Itapotihyla langsdorffii

Genus Megastomatohyla (4 species) [subfamily Hyalinae]

Megastomatohyla mixe

Megastomatohyla mixomaculata

Megastomatohyla nubicola

Megastomatohyla pellita

Genus Myersiohyla (4 species) [subfamily Hyalinae]

Myersiohyla aromatica

Myersiohyla inparquesi

Myersiohyla kanaima

Myersiohyla loveridgei

Genus *Nyctimantis* (1 species) [subfamily Hyliinae]

Nyctimantis rugiceps

Genus *Osteocephalus* (21 species) [subfamily Hyliinae]

Osteocephalus alboguttatus

Osteocephalus buckleyi

Osteocephalus cabrerai

Osteocephalus carri

Osteocephalus castaneicola

Osteocephalus deridens

Osteocephalus elkejungingerae

Osteocephalus exophthalmus

Osteocephalus fuscifacies

Osteocephalus heyeri

Osteocephalus leoniae

Osteocephalus lepieurii

Osteocephalus mutabor

Osteocephalus oophagus

Osteocephalus pearsoni

Osteocephalus phasmatus

Osteocephalus planiceps

Osteocephalus subtilis

Osteocephalus taurinus

Osteocephalus verruciger

Osteocephalus yasuni

Genus *Osteopilus* (8 species) [subfamily Hyalinae]

Osteopilus brunneus

Osteopilus crucialis

Osteopilus dominicensis

Osteopilus marianae

Osteopilus pulchrilineatus

Osteopilus septentrionalis

Osteopilus vastus

Osteopilus wilderi

Genus *Phyllodytes* (12 species) [subfamily Hyalinae]

Phyllodytes acuminatus

Phyllodytes auratus

Phyllodytes brevirostris

Phyllodytes edelmoi

Phyllodytes gyrinaethes

Phyllodytes kautskyi

Phyllodytes luteolus

Phyllodytes maculosus

Phyllodytes melamystax

Phyllodytes punctatus

Phyllodytes tuberculosus

Phyllodytes wuchereri

Genus *Plectrohyla* (42 species) [subfamily Hyalinae]

Plectrohyla acanthodes

Plectrohyla ameibothalame

Plectrohyla arborescandens

Plectrohyla avia

Plectrohyla bistrincta
Plectrohyla calthula
Plectrohyla calvicollina
Plectrohyla celata
Plectrohyla cembra
Plectrohyla charadricola
Plectrohyla chryses
Plectrohyla chrysopleura
Plectrohyla crassa
Plectrohyla cyamma
Plectrohyla cyclada
Plectrohyla dasypus
Plectrohyla ephemera
Plectrohyla exquisita
Plectrohyla glandulosa
Plectrohyla guatemalensis
Plectrohyla hartwegi
Plectrohyla hazelae
Plectrohyla ixil
Plectrohyla labedactyla
Plectrohyla lacertosa
Plectrohyla matudai
Plectrohyla miahuatlanensis
Plectrohyla mykter
Plectrohyla pachyderma
Plectrohyla pentheter
Plectrohyla pokomchi

Plectrohyla psarosema

Plectrohyla psiloderma

Plectrohyla pycchila

Plectrohyla quecchi

Plectrohyla robertsororum

Plectrohyla sabrina

Plectrohyla sagorum

Plectrohyla siopela

Plectrohyla tecunumani

Plectrohyla teuchestes

Plectrohyla thorectes

Genus *Pseudacris* (16 species) [subfamily *Hylinae*]

Pseudacris brachyphona

Pseudacris brimleyi

Pseudacris cadaverina

Pseudacris clarkii

Pseudacris crucifer

Pseudacris feriarum

Pseudacris fouquettei

Pseudacris illiensis

Pseudacris kalmi

Pseudacris maculata

Pseudacris nigrita

Pseudacris ocularis

Pseudacris ornata

Pseudacris regilla

Pseudacris streckeri

Pseudacris triseriata

Genus *Pseudis* (11 species) [subfamily Hylinae]

Pseudis bolbodactyla

Pseudis boliviana

Pseudis caraya

Pseudis cardosoi

Pseudis fusca

Pseudis laevis

Pseudis limellum

Pseudis minuta

Pseudis paradoxa

Pseudis platensis

Pseudis tocantins

Genus *Ptychohyla* (13 species) [subfamily Hylinae]

Ptychohyla acrochorda

Ptychohyla dendrophasma

Ptychohyla erythromma

Ptychohyla euthysata

Ptychohyla hypomykter

Ptychohyla legleri

Ptychohyla leonhardschultzei

Ptychohyla macrotympanum

Ptychohyla panchoi

Ptychohyla salvadorensis

Ptychohyla sanctaecrucis

Ptychohyla spinipollex

Ptychohyla zophodes

Genus *Scarthyla* (2 species) [subfamily Hyliinae]

Scarthyla goirum

Scarthyla vigilans

Genus *Scinax* (97 species) [subfamily Hyliinae]

Scinax acuminatus

Scinax agilis

Scinax albicans

Scinax alcatraz

Scinax altae

Scinax alter

Scinax angrensis

Scinax arduous

Scinax argyreornatus

Scinax ariadne

Scinax aromothyella

Scinax atratus

Scinax auratus

Scinax baumgardneri

Scinax berthae

Scinax blairi

Scinax boesemani

Scinax boulengeri

Scinax brieni

Scinax cabralensis

Scinax caldarum

Scinax camposseabrai

Scinax canastrensis

Scinax cardosoi
Scinax carnevallii
Scinax castroviejei
Scinax catharinae
Scinax centralis
Scinax chiquitanus
Scinax constrictus
Scinax crospedospilus
Scinax cruentommus
Scinax curicica
Scinax cuspidatus
Scinax danae
Scinax dolloi
Scinax duartei
Scinax elaeochroa
Scinax eurydice
Scinax exiguus
Scinax faivovichi
Scinax flavidus
Scinax flavoguttatus
Scinax funereus
Scinax fuscomarginatus
Scinax fuscovarius
Scinax garbei
Scinax granulatus
Scinax hayii
Scinax heyeri

Scinax hiemalis
Scinax humilis
Scinax ictericus
Scinax iquitorum
Scinax jolyi
Scinax jureia
Scinax karenanneae
Scinax kautskyi
Scinax kennedyi
Scinax lindsayi
Scinax littoralis
Scinax littoreus
Scinax longilineus
Scinax luizotavioi
Scinax machadoi
Scinax maracaya
Scinax melloi
Scinax nasicus
Scinax nebulosus
Scinax obtriangulatus
Scinax oreites
Scinax pachycrus
Scinax parkeri
Scinax pedromedinae
Scinax peixotoi
Scinax perereca
Scinax perpusillus

Scinax pinima

Scinax proboscideus

Scinax quinquefasciatus

Scinax ranki

Scinax rizibilis

Scinax rogerioi

Scinax rostratus

Scinax ruber

Scinax similis

Scinax squalirostris

Scinax staufferi

Scinax strigilatus

Scinax sugillatus

Scinax trapicheiroi

Scinax trilineatus

Scinax tupinamba

Scinax uruguayus

Scinax v-signatus

Scinax wandae

Scinax x-signatus

Genus *Smilisca* (8 species) [subfamily *Hylinae*]

Smilisca baudinii

Smilisca cyasticta

Smilisca dentata

Smilisca fodiens

Smilisca phaeota

Smilisca puma

Smilisca sila

Smilisca sordida

Genus *Sphaerhynchus* (14 species) [subfamily Hyalinae]

Sphaerhynchus botocudo

Sphaerhynchus bromelicola

Sphaerhynchus caramaschii

Sphaerhynchus carneus

Sphaerhynchus dorisae

Sphaerhynchus lacteus

Sphaerhynchus mirim

Sphaerhynchus orophilus

Sphaerhynchus palustris

Sphaerhynchus pauloalvini

Sphaerhynchus planicola

Sphaerhynchus platycephalus

Sphaerhynchus prasinus

Sphaerhynchus surdus

Genus *Tepuihyla* (8 species) [subfamily Hyalinae]

Tepuihyla aecii

Tepuihyla celsae

Tepuihyla edelcae

Tepuihyla galani

Tepuihyla luteolabris

Tepuihyla rimarum

Tepuihyla rodriguezi

Tepuihyla talbergae

Genus *Tlalocohyla* (4 species) [subfamily Hyalinae]

Tlalocohyla godmani

Tlalocohyla loquax

Tlalocohyla picta

Tlalocohyla smithii

Genus Trachycephalus (12 species) [subfamily Hyalinae]

Trachycephalus atlas

Trachycephalus coriaceus

Trachycephalus dibernardoii

Trachycephalus hadroceph

Trachycephalus imitatrix

Trachycephalus jordani

Trachycephalus lepidus

Trachycephalus mambaiensis

Trachycephalus mesophaeus

Trachycephalus nigromaculatus

Trachycephalus resinifictrix

Trachycephalus venulosus

Genus Triprion (2 species) [subfamily Hyalinae]

Triprion petasatus

Triprion spatulatus

Genus Xehyla (2 species) [subfamily Hyalinae]

Xehyla eugenioi

Xehyla truncata

Subfamily Pelodryadinae (194 species)

Genus Cyclorana (13 species) [subfamily Pelodryadinae]

Cyclorana alboguttata

Cyclorana australis

Cyclorana brevipes

Cyclorana cryptotis

Cyclorana cultripes

Cyclorana longipes

Cyclorana maculosa

Cyclorana maini

Cyclorana manya

Cyclorana vaehollandiae

Cyclorana platycephala

Cyclorana vagitus

Cyclorana verrucosa

Genus *Litoria* (156 species) [subfamily Pelodryadinae]

Litoria adelaidensis

Litoria albolabris

Litoria amboinensis

Litoria andiirmalin

Litoria angiana

Litoria arfakiana

Litoria aruensis

Litoria auae

Litoria aurea

Litoria barringtonensis

Litoria becki

Litoria biakensis

Litoria bibonius

Litoria bicolor

Litoria booroolongensis

Litoria brevipalmata
Litoria brongersmai
Litoria bulmeri
Litoria burrowsi
Litoria caerulea
Litoria capitula
Litoria castanea
Litoria cavernicola
Litoria chloris
Litoria chloristona
Litoria chlorota
Litoria chrisdahli
Litoria christianbergmanni
Litoria citropa
Litoria congenita
Litoria contrastens
Litoria cooloolensis
Litoria coplandi
Litoria corbeni
Litoria cyclorhyncha
Litoria dahlii
Litoria darlingtoni
Litoria daviesae
Litoria dentata
Litoria dorsalis
Litoria dorsivena
Litoria dux

Litoria electrica
Litoria elkeae
Litoria eucnemis
Litoria eurynastes
Litoria everetti
Litoria ewingii
Litoria exophthalmia
Litoria fallax
Litoria flavescens
Litoria freycineti
Litoria fuscula
Litoria gasconi
Litoria genimaculata
Litoria gilleni
Litoria gracilentata
Litoria graminea
Litoria havina
Litoria hilli
Litoria humboldtorum
Litoria huntii
Litoria impura
Litoria inermis
Litoria infrafronata
Litoria iris
Litoria jervisiensis
Litoria jeudii
Litoria jungguy

Litoria kumae
Litoria latopalmata
Litoria lesueurii
Litoria leucova
Litoria littlejohni
Litoria lodesdema
Litoria longicrus
Litoria longirostris
Litoria lorica
Litoria louisianensis
Litoria lutea
Litoria macki
Litoria majikthise
Litoria mareku
Litoria megalops
Litoria meiriana
Litoria microbelos
Litoria micromembrana
Litoria modica
Litoria moorei
Litoria mucro
Litoria multicolor
Litoria multiplica
Litoria myola
Litoria mystax
Litoria nantis
Litoria napaea

Litoria nasuta
Litoria nigrofrenata
Litoria nigropunctata
Litoria nudidigita
Litoria nyakalensis
Litoria obtusirostris
Litoria oenicolen
Litoria ollauro
Litoria olongburensis
Litoria pallida
Litoria paraewingi
Litoria pearsoniana
Litoria peronii
Litoria personata
Litoria phyllochroa
Litoria piperata
Litoria pratti
Litoria pronimia
Litoria prora
Litoria purpureolata
Litoria pygmaea
Litoria quadrilineata
Litoria raniformis
Litoria rara
Litoria revelata
Litoria rheocola
Litoria richardsi

Litoria rivicola
Litoria robinsonae
Litoria rostandi
Litoria rothii
Litoria rubella
Litoria rubrops
Litoria sanguilenta
Litoria sauroni
Litoria scabra
Litoria singadanae
Litoria spartacus
Litoria spenceri
Litoria spinifera
Litoria splendida
Litoria staccato
Litoria subglandulosa
Litoria thesaurensis
Litoria timida
Litoria tornieri
Litoria tyleri
Litoria umarensis
Litoria umbonata
Litoria vagabunda
Litoria verae
Litoria verreauxii
Litoria viranula
Litoria vocivincens

Litoria wapogaensis

Litoria watjulumensis

Litoria wilcoxii

Litoria wisselensis

Litoria wollastoni

Litoria xanthomera

Genus *Nyctimystes* (25 species) [subfamily Pelodryadinae]

Nyctimystes avocalis

Nyctimystes cheesmani

Nyctimystes dayi

Nyctimystes daymani

Nyctimystes disruptus

Nyctimystes fluviatilis

Nyctimystes foricula

Nyctimystes granti

Nyctimystes gularis

Nyctimystes humeralis

Nyctimystes kubori

Nyctimystes kuduki

Nyctimystes michaeltyleri

Nyctimystes montanus

Nyctimystes narisus

Nyctimystes obsoletus

Nyctimystes oktediensis

Nyctimystes papua

Nyctimystes perimetri

Nyctimystes persimilis

Nyctimystes pulcher

Nyctimystes rueppelli

Nyctimystes semipalmatus

Nyctimystes trachydermis

Nyctimystes zweifeli

Subfamily Phyllomedusinae (60 species)

Genus Agalychnis (6 species) [subfamily Phyllomedusinae]

Agalychnis annae

Agalychnis callidryas

Agalychnis litodryas

Agalychnis moreletii

Agalychnis saltator

Agalychnis spurrelli

Genus Cruziohyla (2 species) [subfamily Phyllomedusinae]

Cruziohyla calcarifer

Cruziohyla craspedopus

Genus Hylomantis (8 species) [subfamily Phyllomedusinae]

Hylomantis aspera

Hylomantis buckleyi

Hylomantis danieli

Hylomantis granulosa

Hylomantis hulli

Hylomantis lemur

Hylomantis medinae

Hylomantis psilopygion

Genus Pachymedusa (1 species) [subfamily Phyllomedusinae]

Pachymedusa dacnicolor

Genus *Phasmahyla* (7 species) [subfamily Phyllomedusinae]

Phasmahyla cochranae

Phasmahyla cruzi

Phasmahyla exilis

Phasmahyla guttata

Phasmahyla jandaia

Phasmahyla spectabilis

Phasmahyla timbo

Genus *Phrymedusa* (5 species) [subfamily Phyllomedusinae]

Phrymedusa appendiculata

Phrymedusa bokermanni

Phrymedusa fimbriata

Phrymedusa marginata

Phrymedusa vanzolinii

Genus *Phyllomedusa* (31 species) [subfamily Phyllomedusinae]

Phyllomedusa araguari

Phyllomedusa atelopoides

Phyllomedusa ayeaye

Phyllomedusa azurea

Phyllomedusa bahiana

Phyllomedusa baltea

Phyllomedusa bicolor

Phyllomedusa boliviana

Phyllomedusa burmeisteri

Phyllomedusa camba

Phyllomedusa centralis

Phyllomedusa coelestis

Phyllomedusa distincta
Phyllomedusa duellmani
Phyllomedusa ecuatoriana
Phyllomedusa hypochondrialis
Phyllomedusa iheringii
Phyllomedusa megacephala
Phyllomedusa neildi
Phyllomedusa rdestina
Phyllomedusa oreades
Phyllomedusa palliata
Phyllomedusa perinesos
Phyllomedusa rohdei
Phyllomedusa sauvagii
Phyllomedusa tarsius
Phyllomedusa tetraploidea
Phyllomedusa tomopterna
Phyllomedusa trinitatis
Phyllomedusa vaillantii
Phyllomedusa venusta
